

DEAN'S AND PRESIDENT'S LIST

A matriculated (degree-seeking) undergraduate student will receive Dean's List recognition at the conclusion of a given semester if the student has completed a minimum of 12 graded credits (credits earned that impact your GPA) and earned a grade point average of 3.5-3.74.

A matriculated undergraduate student will receive President's List recognition at the conclusion of a given semester if the student has completed a minimum of 12 graded credits and earned a grade point average of 3.75 or higher. Semester grade point averages are not "rounded" in the determination of eligibility for the Dean's or President's List, nor is eligibility for the Dean's or President's List determined retroactively (e.g., upon completion of an incomplete, etc.)

Students on the Dean's and President's List will be listed using their legal name. Students not wishing to be listed in this way have the option to complete a Privacy Request form. For more information, visit the webpages for Student Records (<https://www.keene.edu/administration/policy/detail/student-records/>) and FERPA (<https://www.keene.edu/administration/policy/detail/ferpa/>).
