

EDUCATION, ELEMENTARY (B.S.)

Integrative Studies Requirements

40 credits minimum

All students in an educator preparation program must meet the New Hampshire General Education Studies standard (Ed 609.01). This standard is met by successful completion of Keene State College Integrative Studies program. Some Education options require specific courses outside of the Education major; these courses may be included in the student's Integrative Studies program (if appropriate courses are available).

CRITERIA FOR CONTINUED PROGRESS IN THE MAJOR

Students may officially declare a Major in Education at any time. However, continued progress through the Major and its options depends on meeting course prerequisites, demonstrating competence in the content of the subject matter taught in Elementary schools, as well as the Educator Preparation Program Decision Points.

(See <http://www.keene.edu/academics/departments/teachered/students/decision-points/>.)

Students will be given support with program planning throughout their time at KSC, and are encouraged to work with their faculty advisors regularly to review how they are meeting progress and eligibility requirements.

FEES

Additional expenses associated with the options within the Education program include the following:

- Students seeking state certification are responsible for taking state-required standardized tests and completing the certification application.
- Travel to field placement sites is required. Some placements are beyond walking distance from campus and students are responsible for their own transportation.
- Students are responsible for expenses associated with required criminal history record information (fingerprinting) and background checks for field placement sites.
- Students are responsible for fees associated with the application to Educator Preparation and once admitted, for a Tk20 account. Tk20 is a program used for data management for accreditation purposes.

K-8 RECOMMENDATION

For a K-8 recommendation:

- Complete all requirements for K-6 recommendation
- Have a content concentration in:
 - English/language arts
 - Mathematics
 - Social Studies
 - General Science
- Have a passing middle school content Praxis II score in the given content area

Electives

Select additional credits to reach a total of 120 credits for the degree.

Degree Requirements

120 credits

40 credits at the upper-level

Degree requirements may exceed 120 credits, depending on the choice of liberal arts major.
