

# LIBERAL ARTS (B.A.)

---

The Bachelor of Liberal Arts Studies program offers students a general liberal arts education that emphasizes a broad background in areas of the humanities, arts, natural sciences, mathematics, social sciences, and interdisciplinary fields. Students will have the opportunity to understand different disciplinary approaches to areas of inquiry and how they compare to each other. Students should choose an advisor who offers classes in their area of concentration.

This major is only open to students who have completed at least 90 credits. It is not available as a second major for currently enrolled students or students who have already completed a KSC degree.
