

EDUCATION- SPECIAL EDUCATION (EDSP)

EDSP-202 Development, Exceptionality, & Learning (4 Credits)

Exploration of typical and atypical development of the whole child (cognitive, language, physical, social, and emotional) through examination of developmental and learning theories; special education law and process; impact of disabilities on child, family, and learning; collaborative approaches to support the individual needs of each student.

Prerequisite(s): Grade of C or higher in EDUC-111 or EDUC-121, and 2.75 cumulative GPA

Offered: All, Every Year

EDSP-290 Topics in SPED (1-4 Credits)

Study of a selected topic in special education. May be repeated as topics change.

Prerequisite(s): Permission of instructor

EDSP-298 Independent Study (1-4 Credits)

An opportunity for a qualified student to explore work in an area of individual interest, selected and pursued in consultation with a faculty member. Consent is required from the instructor who will supervise the independent study. May be repeated for a total of 8 credits.

EDSP-333 Secondary Spec Ed & Management (4 Credits)

Examine the roles and responsibilities of the secondary content teacher in the context of special education and positive classroom management. Focus is on inclusive teaching practices, tools for intervention, social and academic supports, strategies for collaboration, and current issues in education. Includes classroom observation.

Prerequisite(s): C or higher in all EDUC courses, EDUC-231, and admission to the Educator Preparation Program

Offered: All, Every Year

EDSP-490 Special Topics (1-4 Credits)

Study of a selected topic in special education at an advanced level. May be repeated as topics change.

Prerequisite(s): Permission of instructor

EDSP-495 Seminar (1-4 Credits)

Group study of the problems in educating exceptional children and the techniques and procedures by which comprehensive educational care can be provided. Research related to the development of Special Education programs.

Offered: All, Every Year

EDSP-498 Independent Study (1-4 Credits)

Intensive study for qualified students to explore work in an area of individual interest, selected and pursued in consultation with a faculty member. Consent required of the instructor who will supervise the independent study. May be repeated for a total of 8 credits.

Prerequisite(s): Permission of instructor

Offered: All, Every Year
