

GENERAL EDUCATION EXPLORATIONS

General Education Exploration Requirements

The program's developmental element is scaffolded in four progressive parts: Foundations, Liberal Arts, Values and Connections, and Electives. To ensure flexibility and transferability there is, however, no requirement that students complete one area of the program before taking courses in another.

Code	Title	Credits	Completed
Program Requirements (40 Credits)			
<i>Foundations (8 Credits)</i>		<i>8</i>	_____
	College Writing (4 Credits)		_____
