Welcome to Keene State College's 2024-2025 Academic Catalog.

In this catalog, you will find a rich trove of courses and programs to explore. Together with your academic advisors, you can use this resource to map your pathway to your degree and your future.

Beyond course descriptions and other details, you will also find detailed information about the people, policies, and processes at Keene State that are here to support your academic journey.

As New Hampshire’s public liberal arts college, we offer broad and deep experiences in and out of the classroom that will inspire your lifelong learning.

Enter to learn, go forth to serve.
