CMGT-300	Construction Management I	4	_____
Elective Courses			_____
*Select **two** of the following:*		8	_____
ARCH-350	Architectural Hist I		_____
ARCH-355	Architectural Hist II ((Prerequisite of ARCH-350))		_____
ARCH-230	Arch Design I (Prerequisite of ARCH-180)		_____
ARCH-280	Architectural Design II (Prerequisite of ARCH-230)		_____
ARCH-260	Sustainable Desg/Bldg Sci		_____
ARCH-275	Residential Construction		_____
ARCH-370	Architectural Systems (Prerequisite of ARCH-260)		_____
CMGT-400	Construction Management II (Prerequisite of CMGT-300)		_____
Total Credits		**24**	_____

Upon completion of the Architecture Minor students will:

- Understand fundamental concepts of aesthetics: spatial, formal, and organization principles of architectural design.
- Understand consideration of social, cultural, historical, environmental, and technical factors related to the design of buildings.
- Understand key concepts in architectural construction, materials and assemblies.
- Have explored pathways for careers and/or advanced education in architecture and related fields.
