## Upon completion of the Communication Minor, students will be able to:

- Create and articulate informed messages—including arguments—in speaking and writing.
- Demonstrate an understanding of the means by which the communication of beliefs, values, and attitudes shapes and informs cultural and social differences among groups of individuals.
- Engage in research, using appropriate analytical methods and tools.

- Articulate the ways messages are evaluated from a variety of ethical perspectives.
- Analyze and evaluate communication, using contemporary and historically significant theoretical frameworks.
