Upon completion of the Criminal Justice Studies Minor, students will be able to:

- To apply a liberal arts perspective to understand the criminal justice system.
- To define, explain, and critically assess the function of the U.S. criminal justice system.
- To identify and understand major steps in the judicial/legal process.
- To understand criminality from various perspectives (psychological, sociological, philosophical and political).
- To analyze the law, law enforcement, and punishment within a changing political, historical, economic, moral and cultural context.
